

## TAC PRO® CHEEK REST FOR KEL-TEC RFB RIFLE, INSTALLATION INSTRUCTIONS

**1. Make sure the rifle is unloaded and place the cheek rest on the rifle as shown.**

**2. Press the cheek rest down until you hear a satisfying “snap” and the two locking tabs have locked onto the rifle.**

**3. When the cheek rest is in this position, it is ready for use.**

**4. To remove the cheek rest, firmly grip the lower front corners on both sides as shown. Pull up.**
